

Dear Friends

Trust you had a wonderful holiday season and that you had great times with family and friends!

The farm was quiet during December and all the staff were able to catch their breaths!

Here at Eagles our main focus for 2016 is for every student to have a passion for prayer and living a life of holiness. In order to reach this goal we have incorporated more times of prayer, corporate worship and intercession into our daily schedule.

If you live close by, you are so welcome to pop in for a visit and meet our students personally!

Many blessings!

Paying Tax in South Africa vs Giving to Eagles!

Can you deduct donations to Eagles Rising from your Taxable Income?

Yes!! For all donations received, Section 18A Certificates are issued. These certificates can be presented to SARS for further tax relief. Section 18A of the Income Tax Act No 58 of 1962 (the Act) allows donors to deduct donations made to registered Section 18A Organisations (Public Benefit Organisation) from their taxable income (limiting such deductions to **10% of the taxable income** of both corporate entities and individuals).

Eagles Rising is a registered PBO Organisation (**Registration- 930027829**) and we do issue 18A Certificates!

Will you please consider to give to Eagles Rising and help sustain this ministry financially? If so, please contact me by email so that the 18A Certificates can be issued.

Thank you and Blessings!
